Canary Divers Club

As part of our commitment to all divers, we are now offering club membership for a small fee of £50 per year.

For this fee you get 20 free air fills (normal price £70), free use of the pool at our training sessions, a 10% discount off any purchases in the shop and advance notification of any trips or holidays we are organising.

Your diving is our business! If you are interested in becoming a member, contact us in store or online.

We are in the process of setting up a club meeting on a regular basis and are in discussions with a local pub to secure a regular meeting place for socialising.

There will be regular social events during the summer. Keep posted for the latest information
