

Canary Divers Trips

Forthcoming trips

There are still a few places left for the trip to Gozo in October. If you are interested, contact us at sales@canarydivers.com

Forthcoming trips (register your interest via info@canarydivers.com or via the website):

Anglesey - Mid September

We are arranging another of our popular day trips to Anglesey. The plan is to hire a few places on a charter boat and dive.

Details will be confirmed as soon as we have them but as with all boat dives, the actual dive sites are dependant upon weather, tides and the qualifications of the divers who will be partaking.

Website News

We are working hard to provide you with a website that makes your diving easier.

Recent additions are the members forum, currently open to all full club members. Full club membership is available at £50 and lasts 12 months with a host of discounts, early notification about trips and access to special online features.

If you want a membership package tailored to your particular needs then call us in store on 01254 696690 and we will be happy to discuss a package that suits you.

Latest Supplier News

Canary Divers are proud to announce that they are now official suppliers for Suunto products.

New product displays are arriving shortly and we will be offering a full range of Suunto equipment. We are also replacing purchasing a number of Suunto dive computers for the use of our students.

Why not learn to dive with Canary divers and take the opportunity to use one of the best computers on the market?

Whether you're looking for a dive computer for pleasure or want a serious dive computer, Canary divers are your answer!
